Mă refer la cei de la SIDEX, de la Șantierul Mangalia și la multe alte zone în care Guvernul PSD, PNL, UDMR, Antonescu, Ciolacu, Predoiu și-au bătut joc de oameni. Pentru că pe ei îi interesează doar banii lor...

Dreapta a îndatorat România? Nici vorbă!

Una din principalele direcții de atac ale PSD este aceea că guvernele de dreapta au îndatorat țara. Publicații plătite au încercat să arate, precum organul de presă Scânteia de pe vremuri, ce rău au făcut âia dinainte, față de ce lucruri mărețe fac âștia de acum.

Se spune adesea că tinerii sunt viitorul. Am auzit-o, la rândul meu, de prea multe ori. Dar cuvintele fără fapte ajung să doară mai mult decât tăcerea.

Știu că mulți dintre voi ați încetat să mai credeți în promisiuni. Pentru că n-ați crescut cu respectul pe care îl meritați, ci cu uși închise, cu piedici și cu visuri amânate....
